

June Tailor, Inc.

Custom Window Treatments

- June Tailor offers a wide variety of custom cornices and top treatments to enhance the design of any facility.
- Coordinate our custom, fully lined rod-pocket or pinch pleat panels, sheers or blackout draperies with your top treatment.
- Fabrics and treatments pass the NFPA 701 fire retardant standards.
- Treatments are manufactured from Customer's Own Material (COM) or you may choose from our selection of fire retardant fabrics.
- Window treatments install quickly and easily (hardware included).
